TRADING POST

We build strong kids, strong families, strong communities.

Dear Parents:

Welcome to Fairview Lake Camps! We are looking forward to having your child's stay here to be as enjoyable as possible. In order to assure this, we encourage parents to set up a spending money account for their children at our Trading Post. This way your child does not have to concern themselves with keeping their money safe. The following information will assist you with your decision on how much spending money you should allow your child. Along with all the interesting activities your child will be participating in during his/her stay, we do offer additional experiences in which they may wish to partake. Please return this form with payment via mail.

Clothing and Souvenirs

T-shirts, shorts, boxers, and sweatshirts are available. Purchasing these items is not mandatory but is encouraged to increase camp spirit during competition with other camps. Disposable cameras, stamps, flashlights, etc. are also available.

Pictures & Trips

Pictures are taken each three week session so this option is only available to Kittatinny & Laurel Ridge campers. You will receive a 4 x 6 color cabin photo. Pictures must be picked up on check out day. Sorry, we are unable to mail them. If your child is staying six weeks, consider getting a picture each session because your child's cabin mates will change.

During the 2nd session, all campers (except ETC) attend the Annual Sussex County Fair. Admission, transportation and identifying tee shirt (for security) is \$20 and suggested spending money is \$25 or more. However, there is an option for your child to purchase a wristband at the fair for all the rides which has cost around \$20 previously. If you feel your child would purchase this, please adjust your spending money accordingly. Please indicate the spending dollar amount on reverse. This amount can only be changed up to 7 days before the trip.

Kittatinny & Laurel Ridge campers: There are many out-of-camp activities that are free of charge, however, four trips involve a fee. These four trips are on a first come, first serve basis, so early pre-registration is advised. Trip descriptions are on another page; registration is done on the 1st Trading Post page.

Medical Bills

See Parent Information folder for details.

Overdraw

The overdraw section means that you will allow your child's account to go over the deposit you have made in case he/she decides to take part in any extra activity that they had previously declined or to purchase extra snacks/souvenirs. You would be surprised how many campers change their minds once they get involved in the activities.

June 1st Deadline (save money)

This form, along with payment, must be returned by **June 1st**. A \$25 late fee will be assessed after June 1st.

If we can be of further assistance, please don't hesitate to call Camp. We are looking forward to a memorable stay for your camper at Fairview Lake Camps!
